Subject: WGSL monitoring data
=====

Hi Steven, Stephen, Watson and Mike cc Joe, Wilma and Ross:

FYI: We are compiling and going over the monitoring data and maps for
the past days to make sure everyone has all of the data. We will be
emailing data to those who may not have received it on the first round.
We will do our best not to re-send any data/maps to previous recipients,
unless requested.

Please let me know if any questions. Thanks!
